Code of Ethics - NAR Membership Requirement

NAR's current Code of Ethics training policy states:

"REALTORS® are required to complete quadrennial ethics training of not less than two (2) hours and thirty (30) minutes of instructional time. REALTORS® completing such training during any four (4) year cycle shall not be required to complete additional ethics training in respect of this requirement as a requirement of membership in any other Board or Association.

Failure to complete the required periodic ethics training shall be considered a violation of a membership duty. Failure to meet the requirement will result in suspension of membership for the first two months (January and February) of the year following the end of any four (4) year cycle or until the requirement is met, whichever occurs sooner. On March 1 of that year, the membership of a member who is still suspended as of that date will be automatically terminated."

ETH 1518 - Code of Ethic Overview (3 Hours Elective):

This course will give those unfamiliar with the REALTORS® Code of Ethics an overview of this document. Existing agents will learn of updates since they last took this course. The COE has been used by the REALTOR® Organization for years and is now being used by judges in some states as the "standard" conduct for the real estate industry. General knowledge of the Code is also a requirement to obtain a real estate license in Illinois. *(This course meets NAR's quadrennial requirement for Code of Ethics training.)*
