

# RPR® Basics

## Tools for Building Your Business

RPR's dynamic data and client-friendly reports help REALTORS® achieve professional success. In this 1 hour free workshop you will learn to:

- Search hundreds of datasets on more than 160 million on-and-off market properties
- Create the ultimate listing package with the RPR Comp Analysis tool
- Calculate the ROI for home improvements
- Send customized and branded reports... anywhere, anytime.
