2027
Sponsorship Program

- The Commercial Real Estate Network CREN) is a group of REALTORS® who focus their activities primarily in commercial real estate brokerage, leasing, development and property management.
- The CREN promotes the highest standards of professional ethics and conduct and protects and promotes the right to own, use, lease, manage, develop and transfer commercial real property.
- The CREN protects and promotes private enterprise, a free and orderly market and collective action to maintain a governmental environment supportive to the industry.
