Please join us at First Bankers Trust Company, in Quincy, November 29th, for an overview of CAR forms beginning at 10:00 a.m. Special thanks to First Bankers Trust Company for the use of their training room and for providing brunch.

Two long-time Forms Committee members have graciously agreed to serve as presenters. President-elect (and 2022 Forms Chair) Dominic Campo and 2023 Forms Chair Tracy Shaw have both served on the Forms Committee for many years and have experience in providing forms training. Although time will only allow presenters to focus on the forms listed to the left there will be a Q&A period at the end of the presentation for questions you may have on other forms.

Advance registration is required for planning purposes.
