RPAC

Effective Lobbying

Protection and influence you could never achieve on your own

The degree of your success is always dependent on how local, state and federal law and regulation impact real estate. One bad law or onerous local ordinance can increase your liability, decrease affordability, affect property values and cost you real money.

But as an Illinois REALTOR[®], you are part of an organization with resources focused solely on your interests and with a remarkable track record in protecting your business. RPAC does this by supporting REALTOR[®] and pro-REALTOR[®] candidates for public office and taking action on critical public policy efforts that affect your daily business.

But we can't do it alone! **OUR SUCCESS AND YOUR RETURN ON INVESTMENT IS THE RESULT OF DONATIONS FROM MEMBERS LIKE YOU.** It is time for you to give and make that critical investment in your business and your future.
